The background is a dark blue gradient. On the left side, there are several concentric circular patterns. One large circle has degree markings from 140 to 260 in increments of 10. Other smaller circles have partial markings. Some circles have solid lines, while others are dashed. Small white arrows indicate a clockwise direction of movement for several of the circles. The text 'LIVE DEMO' is centered in the middle of the image in a large, white, sans-serif font.
